

Greetings from Mother Church

The Council of Advisors and the Council of Matriarchs send their greetings to all members of Oklevueha Native American Church. It is our prayer that each of you is healthy, happy, and experiencing life as sweet.

Summer is a wonderful time to get together in families and in medicine communities. We are thrilled to see all the various activities our branches have planned for this summer.

This newsletter has information from many of our branches. Please forward this information to all your branch members, so they can be apprised of what is going on throughout Oklevueha. If your branch has not yet sent updates about what you are doing, please consider submitting for the next newsletter in the fall.

It is our ongoing prayer that every human will find peace in their hearts, and seek to connect with the Great Creator of all. Whether it is around a candle in your own home, or in front of a ceremonial fire, our desire is that we can all find the healing, solace, and comfort that so many of us seek at this time. We are all one, and we are united around our sacred fires and medicines, walking in a good way.

We send our prayers, love, and blessings from Mother Church.

May this Letter find you and yours blessed by Beneficent Celestials! We are located on the Hawaiian Island of O'ahu.

We have just celebrated Beltane with our Grandfather Huachuma Tipi Ceremony on the beach, to honor this astronomical event, remember our Ancestors, commune with Great Spirit, and return home humbled and refreshed! We're looking forward to our next Ceremony for Litha, the Summer Solstice.

Our primary Sacrament is Huachuma; and it is an Honor to carry this Entheogenic Master Plant Teacher as the primary eucharist of our sincere religious and spiritual beliefs and to connect with the Divine, within and without, as above, so below.

We hold to the Astronomical Calendar, Full Moons and 'Wheel of the Year' for our principal ceremonial dates, or the weekend closest to it. If you find yourself within our latitude on these dates or anytime in between, we'd be humbled and delighted by your presence.

We host individuals, couples, groups, as well as ONAC Branches and their members for custom retreats, welcoming you home to Hawai'i as our Hanai Ohana (adopted family)!

We have an Oratory and members housing on the historic North Shore near Waimea Botanical Gardens, and on our west side, private members facility hosts our beach front Tipi ceremonies & members housing/camping and stargazing. Our East side (Windward) jungle property hosts our Inipi (Sweat Lodge) ceremonies surrounded by waterfalls, plant teachers, & 900 acres of untouched, protected forest reserve. This private, gated land came with a Royal patent from King Kamehameha IV as Kuleana land, is a cultural archeology site and Blesses us with some very interesting rights and privacy.

Oklevueha Native American Church of North Arkansas

We have two natural healthcare clinics, one in Branson, MI and one on top of Pension Mountain close to Berryville, Arkansas.

Our property here in Berryville is rich in indigenous history. We have been told that twelve indigenous families dwelled here. There is also a healing spring, where we have been told some of the people from the Trail of Tears would visit in order to heal.

We are passionate about bringing people here to "feel" the history and open their hearts to the stories from some of our

medicine people, elders, and grandmothers. With this in mind, we are launching a half-day tour with stories and an introduction to indigenous life. We will have guest speakers each time and possibly an authentic snack and drink.

Our eventual goal is to build an educational center with a museum and cultural center. We are still in the planning stages, but hope to begin in July.

We send blessings and prayers to all in Oklevueha,

Tom and Joy Watson

“AWAKEN Your Shamanic Gifts”

Have you noticed an increase in your clients' spiritual gifts coming online? Have those around you said their communication to the 'other side of the veil' has started happening more frequently? We're hearing from others that people's spiritual and shamanic gifts are coming online in a massive way right now.

Rose's father was a Roadman, and she has been developing her mediumship and shamanic abilities since she was a small child. She has been facilitating others with activating their shamanic abilities for over 25 years, and shares a powerful system to understand and utilize your shamanic abilities. Some of us here at the ONAC Mother Church have been studying with Rose and have had PROFOUND experiences through her work.

If you're feeling called to go deeper in exploring and activating your mediumship and shamanic gifts or would like to know how to assist your clients in understanding their shamanic abilities, you won't want to miss this online immersion. <https://rosecole.com/awaken-2022/>
